

Lot 1:

2-stations pipe machine for producing concrete pipes, manhole rings and other products VARIANT ВАРИАНТ 2500D with molds (SCHLOSSER-PFEIFFER, Germany). The 1-st station was produced in 2008, the 2-nd station – in 2011

€ 298.300 EXW

Lot 2:

Welding cage machine for producing cages for pipes and manhole rings; producer mbk Maschinenbau GmbH (Germany), type BSM 450 - 33-300/24 LD 3000, construction year 2008

€ 145.000 EXW

Lot 3:

Concrete – mixing equipment with line the of bucket concrete supply (SCHLOSSER-PFEIFFER, Germany), construction year 2008

€ 150.000 EXW

Lot 4:

Concrete – block machine (vibropress) SP-2000
(SCHLOSSER-PFEIFFER, Germany) - construction year
2003

€ 127.000 EXW

Lot 5:

Welding cage machine for producing cages for pipes and
manhole rings; producer mbk Maschinenbau GmbH
(Germany), type BSM LB - 22-190/12 LD 3000,
construction year 2008, new, was not in use

€ 132.700 EXW

Lot 6:

Pipe machine for producing concrete pipes,
manholerings and other products VARIANT ВАРИАНТ
2500E with molds for conic manholes
(SCHLOSSER-PFEIFFER, Germany), construction year
2009

€ 146.700 EXW, Россия

Lot 7:

Pipe machine for producing concrete pipes, manhole rings and other products VARIANT ВАРИАНТ 2500E with molds for pipes (SCHLOSSER-PFEIFFER, Germany), construction year 2009

€ 130.000 EXW, Россия

Lot 8:

Welding cage machine for producing cages for pipes and manhole rings; producer mbk Maschinenbau GmbH (Germany), type BSM 450 - 33-300/24 LD 3000, construction year 2009,

€ 110.700 EXW

Lot 9:

Machine for drilling holes in the manhole rings with nozzles KRB 650 (Germany), construction year 2009

€ 18.000 EXW, Россия

Lot 10:

Machine for producing circle pit blocks (sitting rings)
DEMA 700 (Германия), (Germany), construction year 2009

€ 19.000 EXW, Россия

Lot 11:

Grippers for concrete pipes:

1. Gripper for canting the pipes, type UG 6,5. For pipes \varnothing 300 – 1500mm
2. Gripper for pipes, type RK IV. For the transportation of the pipes \varnothing 1000 - 1800 mm
3. Gripper for putting the pipes, type RG 12-250. For putting oh the pipes \varnothing 1500 – 2500 mm

€ 26.000 EXW, Россия
